Decisions on whether a tour will sail or not are made by the Captain, on the day of the tour and 15min prior to the check-in time. We cannot guarantee that a tour will sail, if you are travelling to us from out of town please be mindful of this possibility.

The comfort and safety of our passengers is of paramount importance to us. If the sea and weather conditions are not suitable we reserve the right to cancel the tour. Tours are always subject to favourable sea and weather conditions.

The minimum age limit for children traveling on a whale watch tour is 3yrs+, although Whale Watch Kaikoura maintains the right to raise the age limit depending on sea and weather conditions at the time of check-in.

Including check-in and bus transfers to and from our marina you should allow 3-hours and 15-mins in total. Actual time on the water is just over 2-hours.

There is no guarantee that whales will be seen on your tour. In the event your tour does not sight a whale we guarantee to refund 80% of your tour cost. ***This refund guarantee does not apply to Nature Cruises (i.e. tours not focused on Whale Watching) or 50% off Winter Whale Sale tickets and Combos.***

For the avoidance of doubt, a whale, as defined by the Marine Mammals Protection Regulations 1992, means all species commonly known as whales; and includes baleen whales, sperm whales, beaked whales, killer whales and pilot whales.
